**Doing well on tests and in school—at all levels—requires that you can read well.**

Consider the facts...

**Fact—Your reading fluency and speed will double in only three weeks by unlearning the habits of slow readers and learning the skills of efficient readers.**

**Fact—In only 15 minutes every other day for three weeks, your new reading skills will become as natural as breathing.**

**Fact—By first learning to read efficiently, you’ll get farther and faster in the Study Skills and ACT/SAT Test Prep Workshops.**

**Fact—Results are guaranteed. You are unconditionally guaranteed to double your reading speed within 30 days, with improved comprehension, retention and recall.**

## LITERACY ACADEMY WORKSHOPS

- **ACT/SAT Test Prep Skills** — High school juniors and seniors learn to overcome the most common barriers to achieving high test scores.
- **Silent Reading Fluency** — Open for anyone to learn effective and efficient Speed Reading.
- **Study Skills** — For all who want to read with improved comprehension, retention and recall.

Workshops are conducted by certified instructors who have over 100 combined years of experience developing and teaching enhanced reading, study and test prep skills.

Workshops are offered both at individual school sites and at The Literacy Academy. Personalized small group instruction also is available.

Each participant receives the *Reader’s Edge Speed Reading* software (\$149.95 value) and *Speed Reading for Dummies* (\$16.95 value), by Richard Sutz, CEO of The Literacy Academy.

Test Prep participants also receive *ACT/SAT Test Prep Guides* (\$79.95 value)
